FlexMat Sleep+ 6000, 8000 or 9008
Optional* FlexMat can be positioned beneath
the Comfort Layer on one side of the mattress
to provide even firmer support.

Air Mesh Cover Sleep+ 6000, 8000 or 9008
Removable mesh cover promotes
air circulation and breathability.

KingFlex Support Base Sleep+ 6000
Reversible STD KingCell Pocket Spring Core Base
for softer or firmer support

KingFlex Support Sleep+ 8000
Reversible Optimal KingCell Pocket Spring Core Base
for softer or firmer support

KingFlex Support Sleep+ 9008
Dual Reversible KingCell Pocket Spring Core Base
for softer or firmer support
Full length coils and firmer shorter coils
for a unique sleeping experience

Uniflex Support Sleep+ 6000, 8000 or 9008
Uniflex Edge Support System maximises usable sleep surface
whilst providing lateral support for modular components.
Allows flexibility to adjust, clean, or replace components to
suit individual requirements.

Effective August 2020. Use Magic Joiner M95. *Mattress Components of 3000, 6000, 8000, and 9008 are not interchangeable and not sold separately. *Optional Components (FlexMat and Fit Covers) are sold separately (price extra) and are compatible with 6000, 8000, and 9008 mattresses. As King Living has a policy of continuous improvement, changes to products and specifications may be made without prior notice. Images and drawings are representative of design only. Accessories not included.
